Annual Report 2024

MESSAGE FROM CHIEF HALES

The Spanish Fork Fire & EMS Department continues to grow and evolve to meet the needs of our vibrant and expanding city. This year, the City Council approved the hiring of three full-time Captains and three full-time Engineers. These additions ensure effective management and supervision of personnel at both fire stations, enhancing our operational efficiency.

Additionally, the City Council authorized the hiring of six full-time Firefighter/AEMTs and three full-time Firefighter/Paramedics. The full-time staff brings consistency, accountability, and elevated service levels, allowing us to better serve our community.

Our department now consists of 96 dedicated professionals:

- 5 Full-Time Administrative Staff
- 3 Full-Time Battalion Chiefs
- 3 Full-Time Captains
