

Mission Statement, Vision Statement, Values Statement, Core Values

MISSION STATEMENT:

We strive to build and maintain a vibrant city through personable community interactions and innovative Fire & EMS services.

MOTTO:

“Preserve, Save, Serve”

VISION STATEMENT:

Our vision is to deliver diverse, personable, and innovative fire and emergency medical services through teamwork and professionalism, upholding the highest standards for those facing tragedy, loss, or threats to life, property, or livelihood.

VALUE STATEMENT:

Spanish Fork Fire & EMS is an organization of professional servants whose purpose and core values are exemplified by each employee.

We Value:

- Professionalism
- Diversity
- Teamwork
- Innovation

With these values, we will continue to make a difference.

CORE VALUES:

Professionalism

We strive for excellence and believe demonstrating high professional standards are critical to our work. To ensure the best possible service for our community, we support continuous training and encourage professional development.

Diversity

Spanish Fork City is a diverse community, and we commit to meeting its ever-changing needs. We are dedicated to reflecting and respecting that diversity throughout our organization. We will respect the diversity of our community by providing compassionate and quality service to all.

Teamwork

We value well-functioning teams of people and know they are more effective than individuals working separately; our lives depend on it. We believe individuals have the capacity to lead, and our organization values leadership at all levels. Teamwork and shared leadership are integral to our organization, and we will seek out and value the opinions of our members.

Innovation

We must uphold a lateral mindset, recognizing that the ongoing shifts in our community and industry profoundly influence our operations each day. We are dedicated to actively pursuing and integrating forward-thinking and progressive strategies to adeptly respond to change for the betterment of our stakeholders.
