### SPANISH FORK FESTIVAL OF LIGHTS

#### ADVANCE TICKETING

Due to the popularity of the Festival of Lights, this year we have moved to an advance ticketing system.

#### What this means:

You can buy tickets and pick a half-hour time slot to go see the lights at [sfcitytix.com](http://sfcitytix.com)!

#### Why the change?

This will help control the flow of cars coming to the festival and make a smoother experience for everyone.

#### What if you don't buy tickets ahead of time?

Without an advance ticketing time, you will pay an additional booth fee and run the risk of not getting in.

**Get your tickets online  
at [sfcitytix.com](http://sfcitytix.com)!**
