## SPANISH FORK FITCITY CENTER

We have a name! When our brand-new recreation center opens in late 2025, it will officially be called the Spanish Fork FitCity Center. We believe this name reflects exactly what we want this space to be—a place where everyone belongs and can grow stronger, whether physically, emotionally, socially, or creatively.

For answers to FAQs, the proposed membership and daily pass rates and more, visit [spanishfork.gov/fitcity](http://spanishfork.gov/fitcity).

# AIRPORT: PUBLIC WORKS DIVISION OF THE YEAR!

The Spanish Fork Municipal Airport has earned the 2024 Public Works Division of the Year award! Under Airport Manager Christian Davis, it leads all Utah airports in general aviation activities, hosted its biggest Wings &

Wheels event yet, and is now fully self-sustaining. With new development taxiing in, this airport is flying. This award is a testament to the hard work and vision keeping Spanish Fork's aviation scene thriving.

## WE HEAR YOU.

We've collected and are actively analyzing the results of our 2024 Resident Opinion Survey. The feedback highlights both our strengths and areas where we can improve. Thousands of free-response answers are being carefully reviewed as we seek to enhance our services and better meet residents' needs. One key concern we've heard this year and in years prior is traffic flow. Among other solutions, our team has created alternative north/south corridors for drivers to use, and we will continue to work to improve transportation satisfaction.

Your input is invaluable, and we're committed to taking meaningful steps to improve our community.

Each month, residents can reply to a Spanish Fork trivia question or puzzle. One lucky winner will score a city-branded shirt, pair of socks, or tumbler!
