OPEN HOUSE!

On June 12 from 4-6 pm, come explore Spanish Fork's new wastewater facility—built to replace the aging treatment plant and double its capacity to 8 million gallons per day.

This modern upgrade meets tougher environmental regulations and prepares our city for future growth.

Take a guided tour and see how this vital infrastructure is helping keep Spanish Fork clean, healthy, and ready for what's next.

The new wastewater treatment plant is located at 2028 N 200 E.

CITY COUNCIL MEETINGS
Every 1st and 3rd Tuesday

YARD OF THE WEEK

From Memorial Day through Labor Day, Spanish Fork will spotlight one standout yard each week! The City Council will recognize these beautiful yards, and they'll be featured on our official social media channels.

Keep an eye out and nominate a neighbor—or yourself—whose landscaping brings charm and pride to our community. See our past winner photos and make a nomination at spanishfork.gov/yardoftheweek

FUN AT THE FIT CITY WELLNESS FAIR

The Fit City Fair, part of Spanish Fork's initiative through the Utah League of Cities and Towns Active & Healthy Communities grant, brings residents together to focus on health and wellness.

This year's fair had a record-breaking turnout of more than 800 people and featured nearly 60 booths offering free resources on fitness, nutrition, mental health, and more. The event included a 1-mile family fun run and plenty of exciting giveaways, including an annual membership to the FitCity Center! A huge thank you to everyone who helped make this event such a success.

PRIDE & PROGRESS PUZZLER

Each month, residents can reply to a Spanish Fork trivia question or puzzle. One lucky winner will score a city-branded shirt, pair of socks, or tumbler!

June's Puzzle:

WHICH TWO DAYS OF THE WEEK HAD THE MOST TRAFFIC ACCIDENTS IN SF IN 2024?

Submit your answer through this QR code by June 15:

SF IS A JUSTSERVE CITY

Spanish Fork is now an official JustServe City! That means when residents are looking for ways to give back, we direct them to justserve.org—a platform that connects volunteers with local service opportunities, from helping at food pantries to cleaning parks.

As a city, we also post our own service projects on JustServe and encourage community-wide participation. Plus, each quarter, we recognize a JustServe Volunteer Hero during a City Council meeting to honor those making a difference. Being a JustServe City reflects our commitment to building a stronger, more united community through volunteerism.
