

⚠ UAS Operations Notice – Practice Areas K & L ⚠

Pilots: Avoid Low-Level Flight in K & L
Lockheed Martin is conducting drone operations in Five Mile Pass, primarily in Practice Area K and part of L.

Key Points:

- Please advise on CTAF 123.0. Drone operators are monitoring 123.0 and 122.75
- UAS active Mon–Thurs, with occasional ops on Fridays/weekends
- Drones below 5650 ft MSL
- Avoid low-level flight in these areas to prevent conflicts
- NOTAMs are active and will be updated with any changes
- BVLOS & higher-altitude ops coming soon via FAA waivers
