

Festival of Lights

The 13th Annual Spanish Fork City Festival of Lights will run from **Thanksgiving to New Years** at Canyon View Park. The Festival is open nightly from 6:00 to 10:00 pm and the cost per car is only \$5.00. Come enjoy the newest light features along with the many others you've grown to love.

Lights Parade

The annual Chamber of Commerce Lights Parade will be on **Friday, November 25**. The parade starts at 7:00 pm and begins at 900 N. Main Street and travels to 100 S. Main Street where it will wrap around City Park.

Yield Signs

The City has received a few phone calls during the past months with concerns about obedience to Yield Signs. As a reminder to all drivers, the Utah State Code 41-6a-902 reads:

The driver of a vehicle approaching an intersection controlled by a Yield Sign, shall slow down to a reasonable speed for existing conditions and shall stop for approaching traffic on the cross street that may be in the intersection or approaching the intersection. The driver shall also Yield to pedestrians in the adjacent crosswalk.

Recycling Survey

If you have not yet registered your vote of preference on a potential City recycling program, you still have a few days left to do so. To learn more about the recycling programs, this survey and to vote, visit www.spanishfork.org/recycle.

Harvest Moon Hurrah Thank You!

The Spanish Fork Arts Council would like to offer a special thank you to the entire community for the overwhelming support for the first ever Harvest Moon Hurrah. The turnout was amazing, despite the rain. We are very grateful to the Mayor and City Council for their sponsorship and financial support for this Sesquicentennial event. Special thanks goes to City Councilmember Paul Christensen, for his leadership in facilitating this event, as well as all the other Sesquicentennial events that have taken place throughout the year.

We are also very grateful to all the businesses in the area that contributed product or financial donations for the prize drawing, and to Utah Valley Television for their sponsorship of the event. Additionally our heartfelt gratitude goes to all of the volunteers who put in countless hours and helped out in so many ways to make the event a fun and successful party. And lastly, a big thank you to all the entertainers who provided an excellent showcase of the talent that exists in this community.

Support the Arts

Our hope is that this community will continue to appreciate and support the Arts in Spanish Fork. We as an Arts Council have many exciting things planned for the future and encourage anyone interested to get involved. One of our biggest goals as a Council is to improve the communication among all Arts-related groups in the community so that we can maximize the impact of the arts within our community and in our families.

Upcoming Events – Time Capsule

In addition to the Lights Parade and Candles in the Cemetery, which are normally scheduled yearly events, the final Sesquicentennial event of the year will be the creation of a time capsule. We would love to have input from anyone in regard to what should go in this time capsule that will give a good representation of life in Spanish Fork in 2005. Exact date and time will be announced. Look in the Spanish Fork Press or the city website for more details.
