Members may bring non-members to play tennis with, but non-members must put court fees of \$4.00 per person per hour in the drop box at the tennis courts.

Court Reservation System: <http://spanishindoors.onlinecourtreservations.com>

Members will have the ability to reserve court time through an on-line reservation system. Once members renew or sign up, they will be given a ID and password for the online reservations. Members will be limited to two reservations per week (subject to change if needed).

We want to keep these courts well used but, at the same time, make them available to members for drop in play or reserved time. We will also be looking to do more programming of the courts including leagues, lessons, and tournaments. Tennis Rentals held to a minimum (especially in the evenings).

The Indoor Tennis Courts are a multi-use facility.

The city rents them for special shows and other events which helps subsidize our Indoor Tennis Court revenue, which by itself is not self-supporting. Because of this, members need to check for events and court closures on the Fairgrounds Calendar located on our website at: www.spanishfork.org/dept/parkrec/fairgrounds/calendar/ and the Recreation Calendar located on the home page of our website at: www.spanishfork.org. Signs about events and court closures are also posted at the Tennis Courts.
